

Are you a Veteran who is having trouble seeing?

The Visual Impairment Services Team (VIST) assists severely visually impaired and legally blind Veterans to manage vision loss.

The VIST Team objectives are to restore independence, improve daily quality of life, assist in adjustment and vision rehabilitation and educate families and caregivers.

If you know a Veteran with vision loss encourage them to contact the VIST Team Coordinator, Amy Schropp at **757-722-9961 ext. 7070**.
